For Memorial Day and Every Day-Hagan's Ice Cream-Kirk's Stores

No bargain counter offers the opportunities we offer. One cent a day delivered. The newsboy gets half that and the publisher the other half, after the raw paper is paid for. It's small profits all right, but we do a large volumn of business. It's the penny we want, never mind the dollar.

Interesting Memorial Program

The band stand in the Sixth street park is now about completed. It is likely that if the weather is favorable the first concert will be given Friday evening by the Louhi band of Monessen. Sunday afternoon at 2:30 there will be another concert and from now on the band stand will be put to public use. This is one of the most creditable things the Board of Trade has done this year so far. The contract price was about $350.00 and the work was done by the Motz Lumber Co. C. F. Mentzer and A. N. Shuster form the committee that raised the funds by popular subscription.

Monday afternoon the Memorial day exercises will take place from this platform. They are in charge of the Civic committee of the Board of Trade and the speaking will be at 2 o'clock. The Boy Scouts and the uniformed rank of the P. O. S. of A. will participate in an informal parade and the school children's chorus will sing. The Belle Vernon G. A. R. is expected to co-operate in making the day a success. The Belle Vernon exercises will be held in the forenoon in order to permit the old soldiers to be present here. Col. Edward E. Robbins of Greensburg, will be the orator of the day. Col. Robbins always has a good message on an occasion of this kind and no one should fail to hear him. He is a Spanish-American war veteran himself. Monessen has many survivors of the Spanish-American conflict and they will have a part in the day's program.

The band stand will be appropriately decorated in the national colors and upon it will be seated many of the town's prominent men as vice presidents. It would be in keeping with the occasion for all who can conveniently to decorate their homes and places of business with the national colors and help lend an air of patriotism.

Brautegam-Trew Wedding Today

The wedding of Miss Lulu Trew of Charleroi and Anthony Brautegam, Jr., of this city, occurred at an early hour this morning at the parsonage of Rev. Father Fries of the St. Jerome's church in Charleroi. The attendants were Mr. and Mrs. Raymond Lowstutter. A wedding breakfast was served at the home of the bride's parents, and the young couple expect to leave this evening on their wedding trip which will last about three weeks and includes visits to Atlantic City, New York, Philadelphia and other eastern cities.

The bride is a daughter of Mr. and Mrs. Charles R. Trew of Charleroi, and is one of the most popular girls in the valley. She was a member of the Bachelor Girl's club of Charleroi and enjoys a host of friends in this city.

Mr. Brautegam is the son of Mr. and Mrs. Adam Brautegam of the Foster House. He is a native of this county, having been born at Suter and has resided with his parents in this city for the past thirteen years. He is one of the town's most promising young business men and has for a number of years taken an active interest in the management of his father's hotel.

Upon their return to this city the young couple will go to housekeeping in the apartments on Donner avenue near the Monessen garage and Mr. Brautegam will resume his duties as manager of the Foster House

Epworth League Will Hold Banquet Tomorrow

Baum, president of the McKeesport district of the league. Toasts, as called for by the toast master, will be in order after this. ASSAULTED GIRL AND IS ARRESTED

Myrtle Molten, sixteen years of age, charged Kelley McKessen with assault and the case was tried before Burgess Dunlap this morning. The girl and her mother both testified in effect that they were at the carnival last night where they met this man and he insisted upon inflicting his presence upon the girl. He wanted her to take a walk with him and they claimed he followed her to her home on welfth street where he abused and maltreated the girl. The mother, Mrs. Louise Kane, said that she ran down the street as far as the Sheetz hotel where she located a policeman and had the man placed under arrest.

This morning at the hearing McKessen was adjudged guilty and was fined $15.00 and costs, amounting in all to $17.00. The money was not paid at the time and the young man was confined to the lockup.

Owners of Dogs Must Comply With the Law

Borough Clerk J. E. Pittman has been a busy man the past few days issuing dog licenses. More than 100 dogs have been tagged within the past two weeks and the canine owners are pouring into the clerks' office and securing licenses.

William McCreery, one of the dog officers, is out over the town getting the names of the owners who have refused or neglected to take out licenses and is making a return of them to the clerk. A warrant is then issued and the owner arrested and a fine and costs are imposed. Twenty-four warrants have been issued from the burgess' office and police officers are serving them every day. It is the intention to clean up the dog business perfectly, catching every owner and the names of the owners are then turned over to the assessor so the dogs will be taxed. This is the most thorough cleanup the town has ever had. Everybody is paying the dog license.

Mr. Edwin Lear and Miss Margaret Gribben were quietly married last evening at the home of the bride's parents, Mr. and Mrs. James H. Gribben, 448 Reed avenue. In company with Mrs. Samuel Wagoner the young couple left this morning for Ravenna, O., after which they expect to return to this city and go to housekeeping at No. 25 Knox avenue.

Monessen Ranks First In County

The Government Census bureau has been handing out some official estimates of the population of cities and towns of the country, and among them we notice that Monessen is elevated to first place in Westmoreland county. Greensburg which held first place, is now the second town of the county, with Latrobe third. Monessen is credited with 3,958 more people than the county seat, and this in the face of the fact that Greensbrug has annexed two or three adjacent boroughs and Monessen has not yet included Wireton and Dutchtown of East Monessen.

In the face of this information Greensburg has the effrontery to offer to the voting populace of the county some twenty two candidates for the nomination to fill the county offices. Few people would protest if they would come at us reasonable, say a man for each thousand voters, but to try to get all four feet in the trough looks like exceeding the speed limit. Monessen offers three candidates this time, all good men which means one for each six thousand people, and we have had no end of fun poked at us from the county seat town. Now the figures of the census department won't lie

Look upon this picture: Monessen 18,752, three candidates for county office; then upon this, Greensburg, 14,687, twenty two candidates for county office. The list of towns received and the standing of Monessen is as follows:

Oil City	18,645
Monessen	18,752
Greensburg	14,687
Jeannette	9,020
Uniontown	19,140
Latrobe	10,549

MONESSEN OLYMPIC HOME OF THE PIPE ORGAN

Tomorrow and Saturday are the top notch days in many months at the Olympic. Friday—King Baggot, our great actor with Jane Gaile in "The Corsican Brothers," in three reels. It is in this picture that King Baggot exhibits his wonderful personality, his wonderful acting. Oh, but it is an enjoyment, a great pleasure as well as a fine lesson to see his acting in this picture. Besides this we have the only genuine war picture in four reels, witnessed and praised by President Wilson and his cabinet April 12, at Washington, D. C. Every father, mother, sister and brother must see this picture. We must witness this war picture, study it and perhaps we will find a salvation for the murdering of thousands daily. We never can do any good by staying so far from their sufferings. Tomorrow at the Olympic.

Saturday—In addition to our pictures of our regular program, we start the first episode of "The Diamond From the Sky." They have paid $10,000 for the story of this picture and will pay $10,000 for the best suggestion of this picture. All our patrons know that one poor girl became rich for the best suggestion in The Million Dollar Mystery. Everyone has as good a chance in "The Diamond From the Sky." Remember the day, Saturday, May 29 at Olympic. 1t

Chef Andrews Is Among The Missing

The sudden, mysterious and somewhat unexpected disappearance of Chef Andrews of the Acme Lunch room, Sixth street, has thrown that institution into the hands of the constable and it will be offered for sale Friday of this week. The Chef packed his little grip and departed hence some three weeks ago. He didn't say goodbye to very many people, but he just fell in line with recent day custom of those who happen to get into the other fellow's debt. The Chef seemed to be pulling along with a determination to win out and personally speaking we must record him with the great army of honest men, for he came in and paid up before he left, but there are others who claim that he was back a little in his accounts and they seem to think he was struggling against too great odds to ever get on top, so we suppose the Chef decided to get away, so he wouldn't have to look into the faces of his creditors. Where he went though is a mystery. It is claimed that he was last seen at an early hour wending his way across the Lock 4 bridge, presumably to board an early Pennsylvania train, and for all we know he may have joined the numerous others who departed for the land of "no trouble."

The restaurant has been operated by Emanuel Payne and Mr. Payne has a notion to buy it in Friday unless the price is too high. He has been carrying on the business since the Chef departed and he believes he can make a success of it.

Kilroy Dining Room Closed For Repairs

The New Hotel Kilroy dining room will be closed for the next ten days while extensive repairs are being made. A new tile floor will be put in and other improvements are contemplated that will make this popular hostelry still more attractive for both the traveling public and home people who enjoy the best of service.

Monessen will undoubtedly be well represented at the big auto races in Indianapolis Saturday. Already a number of people are on their way to the great speedway, while the following others have signified their intentions of being present: Charles Shutterly, Alex Board, C.S. Reagan, M. A. Daugherty, Charles Williams and James Kellar.

Committee To Attend Meeting

Many towns in the Allegheny valley and Western Pennsylvania will be represented at a dinner and mass meeting called to further the work of Belgian relief fund Friday evening in Kaufman's restaurant. Plans for this meeting were discussed yesterday and further impetus given the work by many volunteers for service.

The work for Belgian relief already has been started in Franklin, Oil City, Charleroi, Uniontown and other boroughs, and in many communities in Venango, Clarion, Mercer and Crawford counties committees are being organized. Mayor F. W. Brown of Franklin accepted Mayor Armstrong's invitation and will speak at the Friday dinner. With him will be a joint committee consisting of Chess Lamberton, J. B. Borland, W. P. Ferguson and Rev. Dr. Clarence Adams. This committee raised $3,000 last November which was used to purchase flour for the Belgian war sufferers.

From Charleroi will come several native Belgians, including E. J. Charles, Louis Gazious and Peter J. Guyaux. A. L. Dievart of Monongahela and Octave Jackman of New Eagle, also will attend. Besides these, the Charleroi contingnet will include Burgess B. L. Woodward and H. E. Price. From Monessen the committee will be Burgess A. J. Dunlap, J. Howard Kelly, C. L. Schuck and H. R. Pore. The Uniontown delegation will be headed by Dr. F. C. Robertson, Jules G. Qcertimont, Burgess R. D. Warman, John O'Donnell, A. G. Mercer and C. G. Baker.

UNDERTAKING

The New No. 3 INVERTED REFLEX LIGHT

TRADE MARK

The very latest development in Gas Lighting

Increased Efficiency of 50 per cent over the ordinary inverted Gas Burner. Gives 80 candle-power, same as the larger Gas Burners. Handsome in appearance. Sheffield design. Dainty in size. 7 inches in length. Consumes one-third the amount of gas. One-third the heat from the burning lamp. One-third the breakage of Glassware. Two-times stronger Mantle (this is due to its being smaller and more rigid). Absolutely will not tarnish. Can be supplied any finish. Like all Gas Lights under the name, "Reflex," it carries the same guarantee of satisfaction. This burner represents the finished product of numerous experiments covering three years in the laboratories of the Original Welsbach Company, the oldest and largest manufacturers of the most efficient Gas Appliances in the world. Their great aim is to eliminate the present objections to the average gas burner, viz: too much gas consumption, heat, breakage of mantles and glassware, tarnishing of burner and fixtures, and deterioration in candle power.

It is worthy of the consideration of the gas consumers who desire to reduce lighting trouble and improve their lighting conditions.
